

# Asia's Top Chefs

BY ADRIANNA TAN

## *Danny Chu, Singapore*

Chu's Enso Kitchen in the heart of Singapore is an unexpected find. The restaurant springs to life on the premises of another Japanese restaurant on Sundays only. The former corporate warrior learned the obscure art of "shojin ryori", the exquisite vegetarian cuisine perfected by Zen monks, when he packed his bags and left for Japan and fell in love with cooking and with Zen temple cuisine.
